

WINNING COMBINATION

Wellesley Bank is proud to endorse Cayan for payment processing, due to our combined focus on providing superior customer service and support to help your business grow.

When partnering with Cayan you will benefit from payment processing solutions and technologies to meet your growing needs, from accepting credit and debit cards for the first time, to creating an online retail presence, to accepting mobile payments and integrating value-add programs.

With over 80,000 customers, Cayan has the experience, technological innovation and vision to help you be prepared for the future of payments and the opportunity to turn transactional payment processing into a customer experience that delivers a true business advantage.

PAYMENT PROCESSING WITHOUT LIMITS

We are committed to developing a mutually beneficial relationship that is focused on meeting the unique needs of your business. We deliver the right combination of payment technologies and resources in order for you to benefit from comprehensive payments processing, which will help you improve and grow your business.

BENEFITS FOR YOUR BUSINESS

Guaranteed lower costs on payment processing services

Expedited approval process with no contracts, annual fees or termination fees

Detailed rate quote with transparent disclosure of all potential charges

Multiple processor and setup options to support future business growth (retail, e-comm and mobile)

Ability to accept future payment types and loyalty programs that meet the needs of their growing business and customer expectations
